

KANDHAVAS PLACE

With its high-arched roof, long hall, lustrous wood floor, lantern-like chandeliers, high and wide latticed window walls and doors, suffused with silver and white, Kandhavas Place offers the perfect setting for a fairy-tale wedding. A mezzanine draws the focus for special announcements, a top table or musicians. The expectant guests are refreshed with fine menus prepared live and gracefully served from the theatre kitchen. An equally elegant terrace facing the pool garden adds an optional al fresco element to this exquisite 4th floor venue ideal for up to 100 guests.
